Registration and validation of your poster

For the abstract of your poster to be validated and included in the IHC2010 programme you must register to the congress and fully paid-up by 15th May 2010.

Follow the steps given below to validate your abstract the easy way:

Step 1: Congress registration

Go to <https://www.meetingpoint.pt/congress/ihc2010/index.asp> and register for the congress. Once you have registered successfully, you will receive an abstract validation code on your confirmation letter.

Step 2: Validate your poster- Deadline 15th May 2010

Go to <http://www.ihc2010.org/Abstracts/Root/Login.aspx> and enter your login codes:

Username: Marco

Password: DBPZBNFY

Select your poster and validate it with the abstract validation code you received in step 1.

Once you have successfully completed steps 1 and 2 your abstract is validated and it will be included in the book of abstracts and the poster exposed during the poster section.

Congratulations!

Please note that your poster will not be part of the scientific programme unless you register for the congress by 15th May 2010 at the latest!

We look forward to welcoming you to Lisbon in August.

Best regards,

Luis Rallo Romero
