Dear Dr. Valdez-Aguilar:

You have been identified as a highly qualified reviewer for the manuscript noted above. This paper has been submitted for potential publication in HortTechnology, a journal of the American Society for Horticultural Science. Would you be willing/able to review this manuscript?

To accept or decline this invitation, click on the URL link above; follow the RED arrows to view the manuscript. Please note that both the paper and the official review form are online; nothing will be mailed to you.

If you agree to review this manuscript, we ask that you provide an evaluation within 3 weeks (21 days).

If you have any questions or need more information, please respond to this e-mail.

Thank you for your support of horticultural science and ASHS. Your efforts are crucial to the success of HortTechnology.

Sincerely,

Neal De Vos
